### Product Information Sheet

---

**Composition**

---

Cap Spanner

Mild Steel

---

**Size**

---

Customised to fit:

Warlord Cap  
Warboy® Cap

---

### General Description

The Warlord / Warboy® Cap Spanner provides Warlord and Warboy® container users with a tool for untightening and tightening container caps.

### Correct Use

When using the spanner it is important to ensure that when applied to the cap it is fully depressed, this will ensure maximum control of the leverage applied.

Whilst every attempt has been made to ensure that the information provided in this product information sheet is accurate and reliable Francis Ward Limited cannot accept responsibility for the interpretation of the information provided.

WARBOY is a registered trademark of Francis Ward Limited  
WARBOY is a registered design No. 1038 321

### WARNING

The Warlord / Warboy® Cap Spanner is a proprietary design and is only compatible with Warlord and Warboy® closures
